Survey to assess the reasons of unemployment

3201. SHRI SANJAY RAUT: Will the Minister of LABOUR AND EMPLOYMENT be pleased to state:

(a) the number of educated and uneducated rural and urban persons registered with employment exchanges in the country during 2007-08, State-wise;

(b) whether Government has made any study/survey to assess the reasons of unemployment in the country;

(c) if so, the details thereof and the steps taken by Government to create additional avenues/opportunities for employment; and

(d) the number of rural and urban unemployed persons targeted to be provided employment during 2008-09?

THE MINISTER OF STATE OF THE MINISTRY OF LABOUR AND EMPLOYMENT (SHRI OSCAR FERNANDES): (a) State-wise number of educated and uneducated job seekers and also number of rural and urban job seekers registered with employment exchanges as on 31.12.2005 is given in the enclosed Statement-I *(See* below).

(b) National Sample Survey Organisation (NSSO), Ministry of Statistics and Programme Implementation, conducts quinquennial labour force surveys to assess employment and unemployment situation in the country. The surveys also ascertain reasons for becoming unemployed for those only who were employed in the past. Apart from the quinquennial surveys on employment and unemployment, NSSO also conducts an all India survey on employment and unemployment from a limited set of households as a part of the annual series of rounds.

(c) Details of reasons for becoming unemployed for those who had worked in the past as revealed by 61st round of NSSO during 2004-05 are given in enclosed Statement-II *(See*

below). The Government has been implementing various employment generation schemes such as Prime Minister's Rozgar Yojana (PMRY); Swarna Jayanti Shahari Rozgar Yojana (SJSRY); Swarnajayanti Gram Swarozgar Yojana (SGSY); Sampoorna Grameen Rozgar Yojana (SGRY); Rural Employment Generation Programme (REGP) and National Rural Employment Guarantee Act, 2005 (NREGA) etc. for generating gainful employment opportunities in the country.

(d) The Eleventh Plan document approved by National Development Council has projected that 58 million job opportunities are likely to be created during the Eleventh Plan period at an average rate of 11.6 million job opportunities per annum.

Statement-I

State-wise number of educated, uneducated, rural and urban jobseekers registered with the employment exchanges in the country as on 31st December, 2005
